Teach Rex Visit and Experience Day

Dear Parents and Carers,

We are excited to share that *Teach Rex* will be visiting our school to deliver a fun and interactive dinosaur workshop for our EYFS children. The special day is planned for Tuesday 7th of July and the children will spend their whole day immersed in the dinosaur experience.

The session is specifically designed for early years children, using engaging activities to explore dinosaurs and how they lived. This visit links closely to our previous topic, where the children thoroughly enjoyed learning about dinosaurs and showed great enthusiasm!

We are sure this will be a fantastic experience that builds on their learning and sparks even more curiosity.

We are asking parents for a voluntary contribution of **£11.00** to cover the cost of the visit.

I hope you are able to support school with this special visit which will be a very enjoyable day for the children as well as being part of our EYFS curriculum.

On the day of the visit the children are able to wear their own clothes or even dress up as their favourite dinosaur!

If you would like more information about the visit, please visit www.teachrex.co.uk/eyfs-workshops.

We would ask that payment is made through Arbor by **Friday 20th June 2026**. Please be advised that if we do not receive enough contributions, this experience day and visitor may be cancelled.

Yours sincerely

Mrs Alderson
Head of EYFS
